

PVLD LEARNING 2.0

CHALLENGE

Explore some of the new technologies that are reshaping how people use the Internet to access information and interact with one another

Think about how these new technologies could be used to support PVLD's Vision of "...being an innovative leader and community partner in providing outstanding library services that connect people, information, and ideas."

Reward staff who take the initiative to complete the self-discovery exercises

Who can participate?

All PVLD employees (full and part-time) are eligible to participate.

What's my reward?

Complete all of the tasks by April 20th--

Win a 1 gigabyte MP3 player!

Be entered into a drawing for one of four major prizes:

A digital camera

A Nintendo Wii video game system

A Microsoft Zune

An Ipod Nano
